

PRESS RELEASE

For Immediate Release

Stone County to Host Ozark Mountain Legacy Town Hall Meeting – July 7th

All Stone County residents are invited to come and let their voice be heard at this very important and defining Ozark Mountain Legacy Community Town Hall meeting!

The goal of this visioning process is to gather broad community input from area stakeholders and citizens, from different sectors and cities, to develop an Ozark Mountain Country Legacy.

Jory Rolf, who helped to start this initiative said, *“Whether you’re a frontline employee or employer, a grandparent or a student, or simply a concerned citizen...your voice should be heard!”*

“What will be our Legacy in Ozark Mountain Country?” If you have ever asked yourself this question, then now is the time for you to come and speak into our area’s core values and future together as we move forward in these exciting times.

Attendees will hear the vision for the Ozark Mountain Legacy Initiative and will be invited to actively join in the “Legacy” process by answering survey questions and participating in small group discussions. Community Leaders from across the Ozarks will be present to speak and to “hear” what the citizens of Ozark Mountain Country have to say.

This next significant Legacy Town Hall Meeting, in Ozark Mountain Country, is moving the Legacy Team’s goal forward to reach out to every community in Stone and Taney counties through Legacy Town Hall Meetings and small group Legacy Community Workshops.

“Upon completion of this visioning process,” Jory continued, *“a cooperative effort will be made to effectively align these core values throughout our communities and to communicate the “Ozark Mountain Legacy” through a national campaign to the world.”*

The Stone County Legacy Town Hall Meeting will be held from 6-8:00pm at the Best Western Convention Center, 8514 St. Hwy 76, Branson West, MO 65737.
