Historic Town Hall Meeting Set to Unveil Our Ozark Mountain Legacy

You won't want to miss this historic moment in Ozark Mountain Country! All Ozark Mountain area citizens are invited to help "Make Our Voice Be Heard" at the public unveiling of our citizen-initiated Ozark Mountain Legacy! This Historic Town Hall Meeting will be held Tuesday, December 8, 4-5:30pm at the College of the Ozarks Keeter Center.

Town Hall Meeting participants will receive their own framed copy of the citizen-identified Ozark Mountain Legacy Mission, Vision and Core Values as we voice what we want Ozark Mountain Country to be as we "grow up!" The Legacy Team invites you to bring your family and friends to join other passionate Ozark Mountain citizens and leaders in this defining Town Hall discussion as we help to identify how we can pass our unrivaled Ozark Mountain Values on to future generations! Every Ozark Mountain citizen is invited to **RSVP today:** 417-334-8001 or rsvp@ozarkmountainlegacy.org

This defining Ozark Mountain Legacy Initiative, a year in the making, brought area citizens and leaders together to develop a process to gather broad community input to identify our area's Mission, Vision and Core Values. This process was completed through community input from residents of Stone and Taney counties in Town Hall Meetings, online surveys and small group workshops. One of the goals of the Legacy Team is to have these statements "posted on a 1000 walls" in Ozark Mountain Country and living in all of our hearts as we "Echo Our Ozark Mountain Values"! The Legacy Lives...join us as we Pass It On!

For more information about this Legacy Initiative, the Legacy Core Team or the upcoming Historic Legacy Town Hall meeting please visit: www.ozarkmountainlegacy.org or contact: **Jory Rolf at: 334-8001 / E-mail: info@ozarkmountainlegacy.org**
